Foreword

"It is on the sound education of the people that the security and destiny of every nation chiefly rest."

—Kossuth

"The best education in the world is that got by struggling to get a living."

—Wendell Phillips

"A little learning is a dangerous thing."

—Alexander Pope

"Talent is that which is in a man's power; genius is that in whose power a man is."

—James Russell Lowell

"Early instruction in truth will best keep out error."

—Tyrone Edwards

"I consider a human soul without education like marble in a quarry, which shows none of its inherent beauties till the skill of the polisher fetches out the colors, makes the surface shine, and discovers every ornamental cloud, spot and vein that runs through the body of it."

—Joseph Addison

CALLIOPE ALEXANDRA ELIOTOU

Popy Eliotou, this year's foreign exchange student, came to North High from Heraklion, Greece. Popy entered into the swing of campus activities with eagerness and ease. She was readily accepted by the entire student body due to her charming personality and friendliness toward everyone. Popy was saluted during International Friendship Week in February, an activity designed to honor our foreign exchange students. It can definitely be said that Popy was an asset to North High during her stay here. It is with tenderness and sadness that we wish Popy bon voyage as she returns to her home in Crete.

Here Popy discusses world travels with Judy Fisher, who went to Finland as our foreign exchange student last summer.

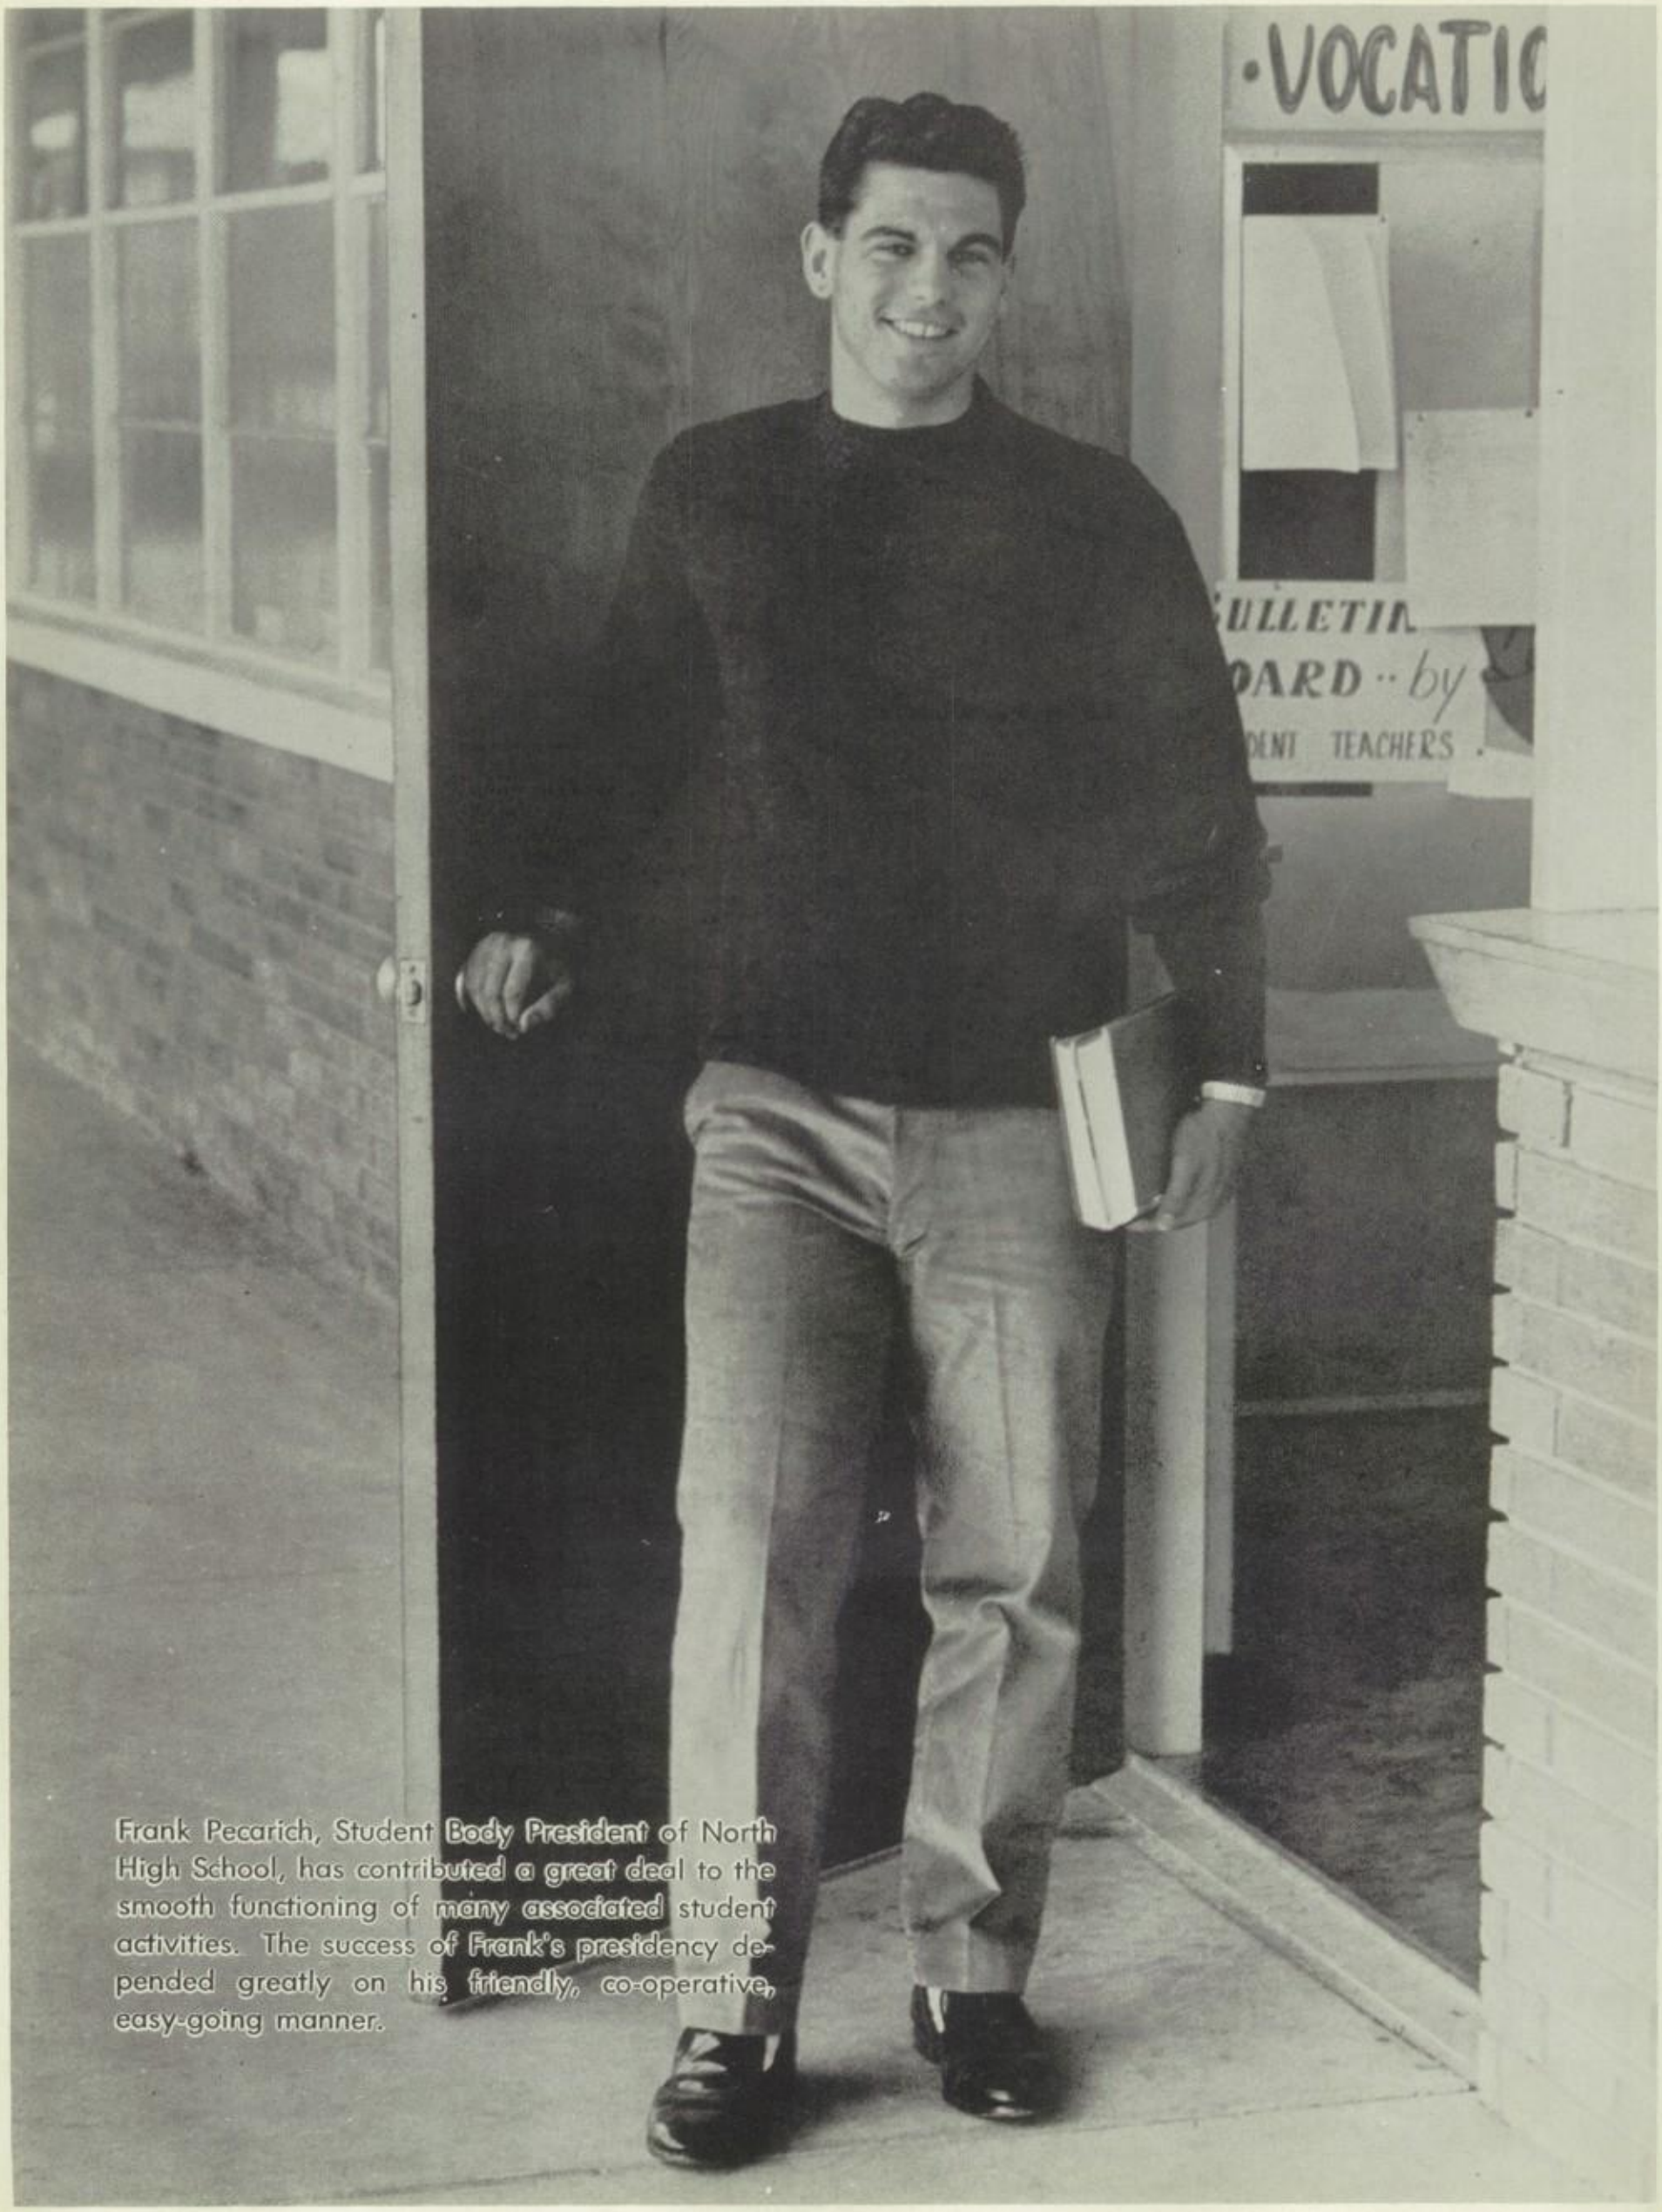
NORTH
HIGH SCHOOL
9TH ANNUAL
SHRINE
POTATO BOWL
FOOTBALL CLASSIC
1956

Organizations



Frank Pecarich, Student Body President of North High School, has contributed a great deal to the smooth functioning of many associated student activities. The success of Frank's presidency depended greatly on his friendly, co-operative, easy-going manner.

Ronny Beaman, ASB Vice President, has been active in providing leadership, talent, and energy in the numerous duties of his office.

Our Secretary, Jone Beaman, handled her important position with ease and thoroughness throughout the year.

First row, left to right: Karen Bock, Diana Nowels, Rick Falk, Betsy Reynolds, Bonnie Beebe. Second row: Pat Herron, Jone Beaman, Judi Willhite, Cherie Carr, Frank Pecarich, Joy Best, Popy Eliotou, Peggy Ray. Third row: Mr. John Herman, Advisor; Dave Stout, Connie Townsend, Eddie Dunn, Steve Spradlin, Ronny Beaman, Janet Bright, Darrell Kaff, Linda Dixon, Bob Curran.

Seated, left to right: Adrienne Rowell, Vice President; Sandy Boardman, Recorder; Connie Townsend, President; Judy Evans, Publicity Manager; Sherril Overstreet, Treasurer; Lynn Flekal, Frosh Representative; Janet Colley, Senior Representative; Sandra Palmer, Secretary; Sharon Ward, Business Manager; Earlene Morgan, Junior Representative; Diane Berry, Sophomore Representative.

"You mean we have to make 500 more of these? I thought we were through." This comment was desperately made while the A.W.S. was preparing for Blossom Day.

This year the Associated Women Students became an important factor in our campus life. The girls' president, Connie Townsend, expertly guided many activities during the year. Specializing in welfare work, the AWS sponsored Thanksgiving and Christmas baskets for the needy; this activity turned out to be successful beyond the group's highest hopes. Also, the AWS provided a spaghetti feed for freshman girls during the second week of school as a form of getting the freshmen better acquainted. This also is a portion of the Big Sister program of the AWS.

The Associated Men Students, representing the largest single body on campus, again successfully served as the link between the individual male student and the executive board. In this way the ideas and opinions of the entire student body are represented. One of the tasks well-executed by the A.M.S. this year was the successful operation of all campus elections. This group sponsored several activities that led to a more unified student body at North High.

Girls' Service Club

Carolyn Allen, Secretary; Diana Nowels, Treasurer; Kathy Strange, President; Sonnie Richards, Vice President.

This year's industrious Girls' Service Club has been an asset to our school and our community. Many worthwhile activities were carefully planned and executed during the entire year. This group successfully sponsored a clothes drive which provided needy families with clothing. Soon after Christmas vacation the GSC began a Christmas card drive to bring useful activity to many handicapped and confined children. Also, the girls served at the football banquet in the fall. Kathy Strange, as president, led a busy, productive year with her many capable club members. Mrs. Robinson and Miss Nunes effectively guided the activities of the GSC this year as they have done in years past.

The Universe began an active and progressive journalistic year under the guidance of Mr. Blankenstein and the editorship of Bonnie Beebe. Bonnie, a junior, assumed the demanding duties of editor with charm and diligence. The principal sub-editors contributed a great deal to the success of the '59 Universe by their untiring efforts. Interest has so increased in journalism at North High that a beginning class is to be inaugurated for next year. This undoubtedly will strengthen our entire journalism program. The lot of the high school journalist is not a pleasant or easy one. In the face of trying circumstances the staff of the Universe has consistently produced a bi-monthly paper of sustained journalistic excellence.

Galaxy

Betsy Reynolds
Editor

Mr. Robert Neff
Advisor

Once again school has come to a close and the hectic activities of the Galaxy staff have also ceased. A great deal of planning, arranging, compiling, checking, re-arranging, and organizing has gone into the makeup of the 1959 Galaxy. Not to mention tears and sweat! Betsy Reynolds, as editor-in-chief, guided the progressive growth of the Galaxy with perspicacity and wit. She was assisted by a loyal, over-worked and under-paid staff. Mr. Neff supervised the entire affair with a critical eye to perfection. It is with a great deal of pride (though exhausted in the process) that the '59 Galaxy staff presents its considered efforts to you, the students of North High School.

Seated, left to right: Terry Buckley, Business Manager; Martha Kincade, Co-Assistant Editor; Brenda Powers, Club Editor. Standing: Denise Jewett, Co-Assistant Editor; Dick Busby, Art Editor; Roberta Hamble, Co-Assistant Editor. Chuck Warren, Sports Editor, not pictured.

Clockwise: Ron Harrison, Denise Jewett, Roberta Hamble, Marilyn Harrington, Karen Sawyer, Fred Shore, Joyce Rawls, Linda Mullins, Mr. Neff, Terry Buckley, Betsy Reynolds, Brenda Powers, Jacque Gess, Brenda Dowdy, Carol Buckley, Maureen McCloud, Peggy Ray, Cathy Pounds, and Chuck Warren.

To create a strong spirit of good sportsmanship and team support are primary objectives of the Megaphone Club of North High School. Cheryl Maloy, president of this group, with the assistance of Mr. Brown and Mr. Kinnett, advisors, has actively championed the cause of concentrated school spirit. The Megaphone Club has been most energetic in furthering the enthusiastic cause of spirited rallies and loyal team support throughout the year '58-'59. Megaphone sponsored an annual color day on the NH-EB football game, and provided the decorations at all home football and basketball games. This group greatly boosted school morale by its spirited activity.

Do you think we should have more vocal music on campus? The Choral Club thinks so too. Thus it is, that the main function of this group is to promote excellence in vocal music. The activities of this club extend far beyond the confines of the campus. To do this takes money so the Choral Club sponsored the Shake-a-roo sale and several other money-raising projects. Social activities lessened the tedium of too much work in the form of a hay ride and snow party. However, never did these students lose sight of their primary aim, that of advancing quality musical presentations.

An active organization on campus is the Girls' Athletic Association. With the purpose of increasing athletic enthusiasm among the girls of North High as a primary function, the members of this group can often be seen participating in sports after school. This after-school participation does not stop here. It is also the basis for many of the GAA Play Days held at different times during the year. Some of these sports include: volleyball, basketball, softball, hockey, archery and tennis. This club has also done a splendid job in selling suckers at noon for the consumption of the eaters-in-the-classroom crowd. This year the North High forensic participants excelled in all branches of their activities. They were not only outstanding in individual events, but their teamwork brought honor and distinction to North High. Among many others, our debate team captured two first places in B division debate at Modesto and one second place in A division in Fresno. Each year the forensics students take many trips to further their education and experience in debate. North High National Forensics League has returned with top honors every time. It can be said that our forensics students have had an outstanding year under Mrs. Gholz as advisor and Glenn Marston, president.

Trick or Treat!

Be alert girls, and you can catch Mr. Williamson as he slides down the banister.

Who could have guessed that later on in the day even a raincoat wouldn't have helped?

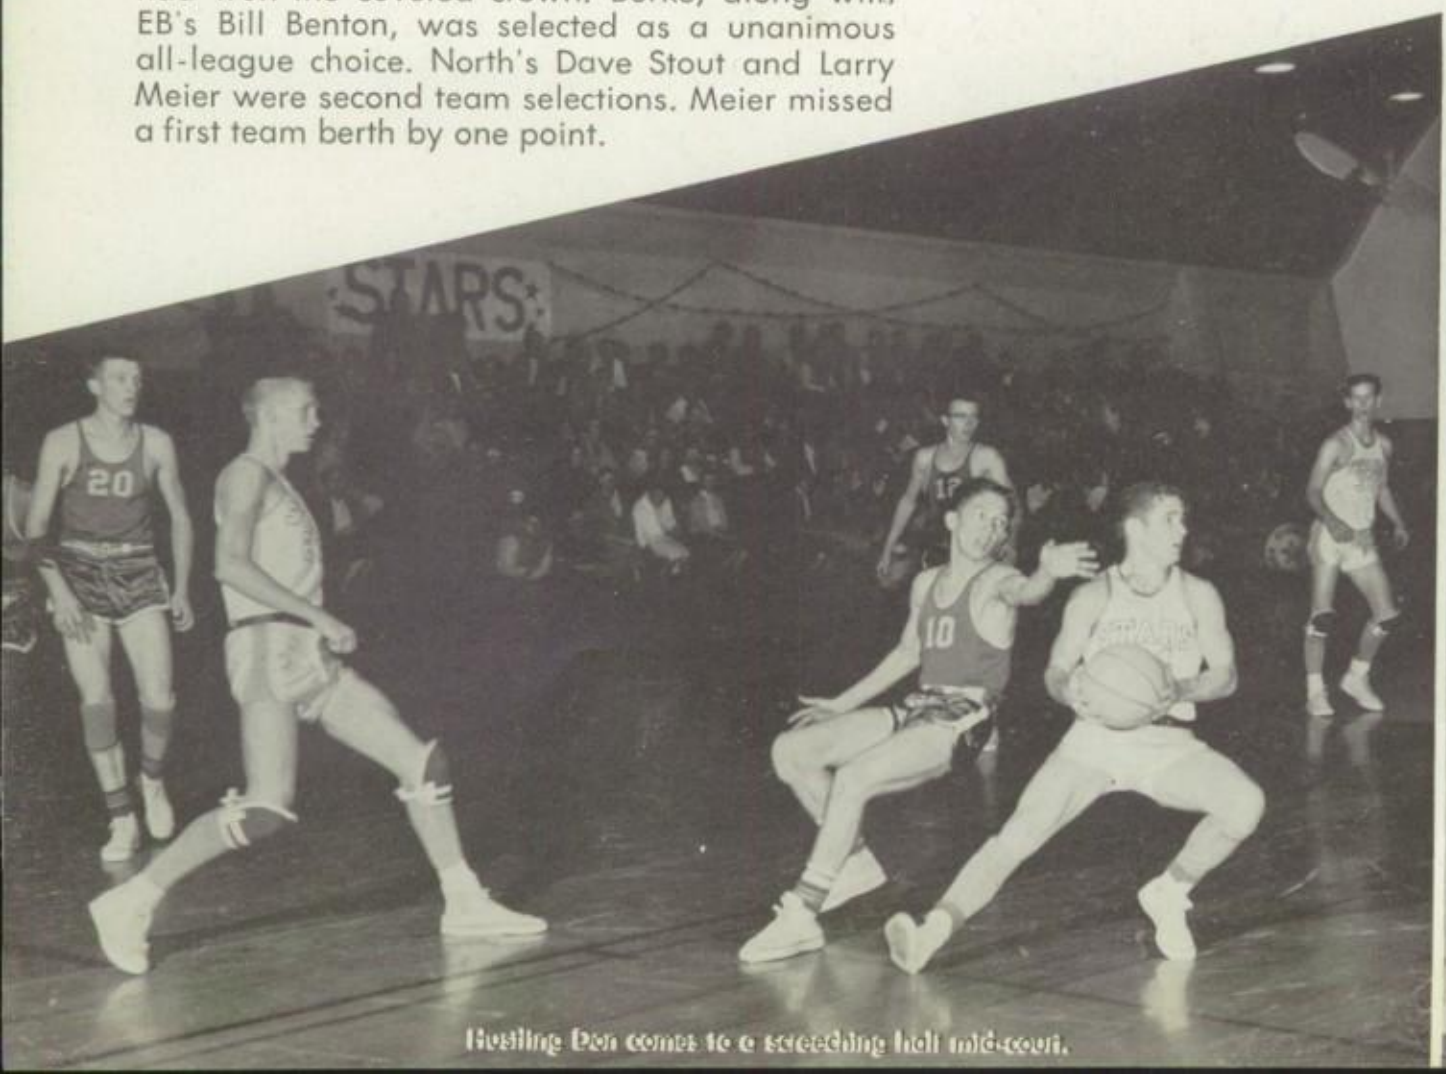
The stars finished in third place in the final SYL standings this year with a 5-5 mark. It was the highest finish for Coach Tom Bailey's squad since entering the loop. Vern Burke, North's great all-round athlete, won the league scoring title with 187 points. It was the first time a NH player had won the coveted crown. Burke, along with EB's Bill Benton, was selected as a unanimous all-league choice. North's Dave Stout and Larry Meier were second team selections. Meier missed a first team berth by one point.



Hustling Don comes to a screeching halt mid-court.

Junior Varsity

Coach Sam Barton's JV's finished in third place in the final South Yosemite League standings with a 6-4 mark. Bakersfield High and East High were the only teams able to defeat the JV's in league play. Both of the North-EB games could have been reversed. Bakersfield High finished with an unblemished mark for first place. Gary Hudson topped the team in scoring, followed by Dave Strong. Other top players on the team were Bill Hightower, Carroll Sinclair, Barry Schulz, Dick Moore, and Dick Balmain.

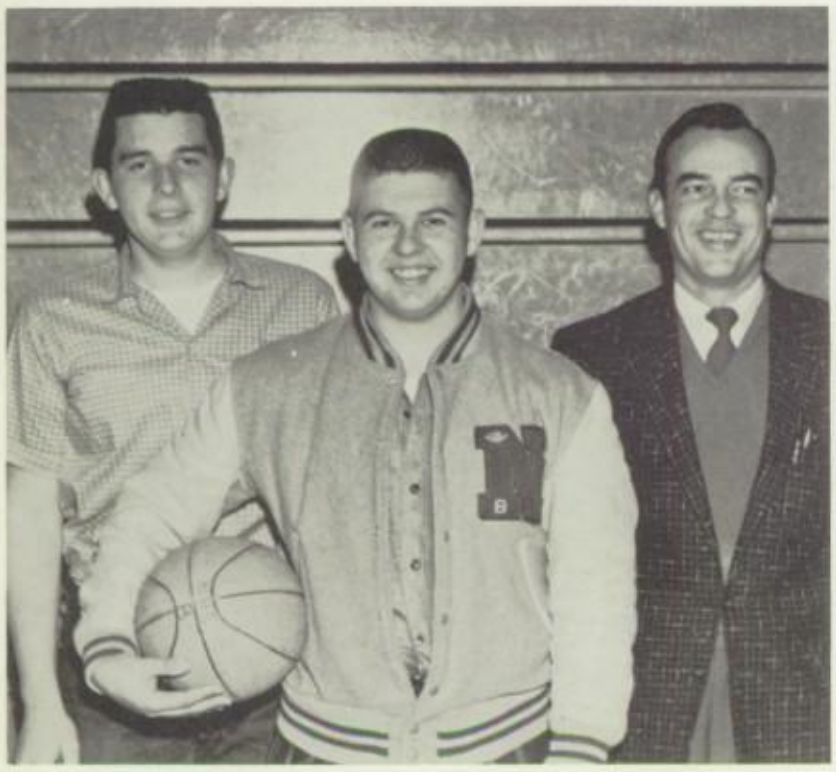
This year's Comets basketball team shared the B Class title for the first time in North High's history. Their final league record was 9-1. Co-champion Bakersfield High handed them their only loss, 34-32 on a last-second basket. For the season the Comets were 18-1. Sharpshooting center, Guy Rounsaville, who finished out the season with the varsity, paced the Comets in scoring. For the year he tallied 249 points, a 12.9 game average. In league play he scored 139 points. Jim Maberry, Jim Zimmermann, and Carl Fisher, all seniors, were highly valuable team members. Mr. Max Evans was coach of the hard working Comets. It was his second league championship team. Two years ago he coached the C's to the title.



Coach Max Evans on the right is shown with his two managers, Bill Sanders and Bill McLean, from the left.

Thanks...

Martha, Roberta, and Denise for your dedicated assistance all year.... Peggy - you were a life-saver when it was time to write captions.... thanks, Richard and Linda for your untiring efforts on cover design, and Terry, for yours on layout and business management .... Chuck - I couldn't have asked for a better sports editor.... Brenda - I am so glad to have had your help in all phases of our work, and, to you, Mr. Neff - there are no words to express my gratitude for your guidance throughout the year.... Mr. Williamson - thank you for making this book possible... Mr. Everett.... I will never forget your kind co-operation and excellent photography... and to my publisher and cover company, I am greatly indebted. I appreciate more than anything the co-operation and eagerness from you, the North High student body.

There are many things that should be written about the wonderful year just passed and only if I had the space to write them. Time flies by so fast. Somewhere, amidst the busy, struggling world, one golden year has been lost, and now we have the only reward offered.... memories.

I will always remember this year.....

Betsy
